The reply filed on January 7, 2003 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s):

The amendment to the specification requires a marked-up version of the replacement paragraph. It is noted that on page 20 of the response (Appendix 1), a page titled "Marked up specification and claims" appears, but there are no markings in the replacement paragraph to indicate that any amendment was made. Furthermore, the paragraph presented on page 20 is in direct conflict with the clean version of the paragraph presented on page 2 of the amendment.

Appropriate correction is required.

Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a). In no case may an applicant extend the period for response beyond the six month statutory period. Direct the response to the undersigned.
